The breuiarie of health vverhin doth folow, remedies, for all maner of sicknesses & diseases the which may be in man or woman. Compiled by Andrew Boord, Doctor of phisicke: an English-man. (1575)

EARLY HISTORY OF MEDICINE, HEALTH & DISEASE. Imagine holding history in your hands. Now you can. Digitally preserved and previously accessible only through libraries as Early English Books Online, this rare material is now available in single print editions. Thousands of books written between 1475 and 1700 can be delivered to your doorstep in individual volumes of high quality historical reproductions. This series includes fascinating studies on the human brain from as early as the 16th century, as well as early studies on the physiological effects of tobacco use. Anatomy texts, medical treatises and wound treatments are also discussed, revealing the exponential development of medical theory and practice over more than two hundred years.

++++ The below data was compiled from various identification fields in the bibliographic record of this title. This data is provided as an additional tool in helping to insure edition identification: +++++

The breuiarie of health vverhin doth folow, remedies, for all maner of sicknesses and diseases, the which may be in man or woman. Expressing the obscure termes of Greke, Araby, Latin, Barbary, and English, concerning phisicke and chirurgerie Boorde, Andrew, 1490?-1549. The second boke of the breuiary of healh [sic] has separate dated title page, foliation and register. Includes indexes. 123, [5]; 27, [1] leaves 1575. Imprinted at London : By Thomas East, [1575] STC (2nd ed.) / 3376 English. Reproduction of the original in the Henry E. Huntington Library and Art Gallery +++++

This book represents an authentic reproduction of the text as printed by the original publisher. While we have attempted to accurately maintain the integrity of the original work, there are

sometimes problems with the original work or the micro-film from which the books were digitized. This can result in errors in reproduction. Possible imperfections include missing and blurred pages, poor pictures, markings and other reproduction issues beyond our control. Because this work is culturally important, we have made it available as part of our commitment to protecting, preserving and promoting the worlds literature.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
