

Writers on... Atheism: (A Book of Quotations, Poems and Literary Reflections)

Writers on Atheism provides the ultimate literary definition of atheism. It contains a vast array of atheism quotes, arguments for and against this new religion, as well as a history of atheism. A fascinating look into the links between religion and morality, this book provides an inspirational look at great minds, atheist authors, and their thoughts on both old and new atheism. Showcasing the writing of some of the worlds most influential sceptics, and the battles of atheism vs. Christianity, and atheism vs. agnosticism, this collection makes for some thoroughly thought-provoking reading. The Writers on series is a collection of extracts, anecdotes and occasional philosophical musings from the worlds most well known authors. This book of quotes, inspirational poems, letters, and quips, celebrates writers who have an individual, creative outlook on the world; on subjects from drink to death, and love to libraries. Starting with ancient civilisations and moving towards the present day, this anthology of intellectual, inspirational and often funny quotes, provides a fascinating insight into a vast array of topics.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
