

# Prosperity

Prosperity written by legendary author Charles Fillmore is widely considered to be one of the top New Thought books of all time. This great classic will surely attract a whole new generation of readers. For many, Prosperity is required reading for various courses and curriculums. And for others who simply enjoy reading timeless pieces of classic literature, this gem by Charles Fillmore is highly recommended. Published by Classic Books America and beautifully produced, Prosperity would make an ideal gift and it should be a part of everyones personal library.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
