

Survival Vocabulary 2 (Enhanced eBook) (Curriculum Binders (Reproducibles))

Enhanced eBook, Survival Vocabulary 2 Includes: Citizenship, Legal Documents, Physical Fitness and Nutrition, Social Situations, Succeeding at School, Computer Technology, and more With these binders you can teach real life words and skills that students can practice immediately. Furthermore, while teaching about employment forms and money management students are learning essential critical thinking, writing, and reading comprehension skills. Words are learned in context through a variety of high-interest activities including safety signs and symbols, finding a job, personal health, cooking, smart shopping, legal documents, making a budget, and more. The self-directed activities require virtually no preparation and can be completed in one class period. An Enhanced eBook is an electronic version of a Saddleback book that you can download to your computer & manipulate to fit your instructional needs. You will have the freedom to cut & paste any portion of the text into your own document; to extract & post pages & activities on your class website; to e-mail parents & your students individual pages from the eBook; to project the eBook contents on a whiteboard; and more! With these binders you can teach real life words and skills that students can practice immediately. Furthermore, while teaching about employment forms and money management students are learning essential critical thinking, writing, and reading comprehension skills. Words are learned in context through a variety of high-interest activities including: safety signs and symbols, finding a job, personal health, cooking, smart shopping, legal documents, making a budget, and more. The self-directed activities require virtually no preparation and can be completed in one class period.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for

you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
