

## Digital Concordance - Book 25 - Yehowah To Zuzim: Book 25 of 26 (Volume 25)

DIGITAL CONCORDANCE is a comprehensive and detailed listing of Bible words most of which are found in most every Bible. It has 14,812 key Bible words completely indexed. With it you can find anything and anyone within the Bible record easily and also do word studies of key scriptural ideas. Each numbered volume has approximately 800 pages in the print edition. Some readers will use the Master Index (Volume 0) to find the volume containing the information they need to look up, but each volume also has a complete index for that volume. Owners of the complete print edition can also get a free Digital Edition for use on a computer by contacting us at our website [www.knowthetruth.biz!](http://www.knowthetruth.biz!)

DIGITAL CONCORDANCE is all beautifully formatted in color, and it uses standard colors to denote various textual aspects like article names, keywords are in RED and surrounding words in BLUE to make them stand out. All verses are listed in Bible Canon order to ease finding what you want quickly. All of the Bible verses listed are complete verses, so that you can see all of every verses context at first reading. This makes for a large book, but it also makes it far better and easier to get to the correct verse the first time. It makes Bible study and research a delight. You will never again have to hunt around to find material in support or proof of any point, and you can speak with authority on any Bible subject. DIGITAL CONCORDANCE is clear of all punctuation and abbreviations for easier and more accurate searching, and is designed for the reader, with clear text, consistent grey scale formatting and large enough print to read easily. It uses a modern language literal translation in English to show all referenced scriptures. It is a direct translation from the Hebrew, Greek and Aramaic, and it is easily understood. Yet any translation can be used for all the scriptural references are

also given. If your Ebook reader/software supports indexing, then it also has a word index that will take you directly to any word. DIGITAL CONCORDANCE - covers 19,107 pages and 1.50 million lines of text. It has been divided into 26 volumes to make it easier to get at the correct information quickly. Readers may buy the books comprising this library one at a time, or the entire book altogether, their choice. Please take the time to download a sample of one of the book files, for it is the most comprehensive and beautifully formatted DIGITAL CONCORDANCE you will ever use.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
