

## The Anatomy of Death: Notes from a Healers Casebook

Elena Gillespie had no idea that her father's death would lead to a door that contravenes everything we think we know about death and dying. Promising her father that she would learn everything she could about this process, she approached her visionary experiences with the open mind of the researcher. From the circumscribed passings of her father and little Kevin, to the epiphanies gleaned from the White Tiger, Regina and the Twin Towers, this is the story of that discovery.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
