

The Mysteries: Part One

This book is a brief, introspective examination of life's less basic mysteries, conducted from an esoteric standpoint. My qualification is granted by my supernatural communications with the source. Although I reference concepts and ideas from Philosophy, Science and Spirituality - the information I present, I have personally gathered from The Great Energy. I offer solutions for mysteries such as, how the ancient gods, magic and gravity came to be.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
