

## Lively Art of Writing: Developing Structure

Students, teachers, businessmen, aspiring authors, complaining consumers all have one thing in common - the need to express successfully ideas, opinions, arguments, problems, explanations, or instructions through the medium of the written word. [This book] is [the] guide to the mastery of [the] essential skill. It will answer all your questions, provide you with the best techniques, and offer important information

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
