

Creative Bible Lessons in 1 and 2 Corinthians: 12 Lessons About Making Tough Choices in Tough Times

Christian adolescents in the 21st century face pretty much the same situations as the first-century Christians in Corinth did -- an indulgent, profligate, choose-your-own-god society. The latest in the Creative Bible Lessons series, Creative Bible Lessons in 1 and 2 Corinthians is a 12-lesson curriculum with an issues-oriented spin on living ones faith in the real world. It lets teenagers wrestle with the tension between biblical instruction and cultural realities. These 12 studies about the not-so-easily-tamed people of Corinth and their founding pastor Paul of Tarsus pave the way for youth workers and Sunday school teachers to teach high schoolers about conversion, transformation, failure, leadership, authority, and Gods constant saving love even in the midst of people making a mess of things. Here are some of the not-so-ancient issues youll explore in this study: Give Me Liberty or Give Me Love, Friends Dont Let Friends Go Unforgiven, Those Pesky STDs (Sexually Tough Decisions), Love Is . . . , No Easy Answers, Show Me the Money, and Ouch! Of course, theres lots of what the Creative bible Lessons series is known for: provocative and relevant discussion starters, to-the-point scripts, high-energy games, reproducible pages of interactive activities -- all in the context of hard-core Bible study. 12 lessons.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
