

Family Maps of Effingham County, Illinois

258 pages with 50 total maps Locating original landowners in maps has never been an easy task-until now. This volume in the Family Maps series contains newly created maps of original landowners (patent maps) in what is now Effingham County, Illinois, gleaned from the indexes of the Illinois State Archives. But it offers much more than that. For each township in the county, there are two additional maps accompanying the patent map: a road map and a map showing waterways, railroads, and both modern and many historical city-centers and cemeteries. Included are indexes to help you locate what you are looking for, whether you know a persons name, a last name, a place-name, or a cemetery. The combination of maps and indexes are designed to aid researchers of American history or genealogy to explore frontier neighborhoods, examine family migrations, locate hard-to-find cemeteries and towns, as well as locate land based on legal descriptions found in old documents or deeds. The patent-maps are essentially plat maps but instead of depicting owners for a particular year, these maps show original landowners, no matter when the transfer from the federal government was completed. Dates of patents typically begin near the time of statehood and run into the early 1900s. Whats Mapped in this book (that youll not likely find elsewhere) . . .

4657	Parcels of Land	(with original landowner names and patent-dates labeled in the relevant map)
82	Cemeteries	plus . . .
	Roads, and existing Rivers, Creeks, Streams, Railroads, and Small-towns (including some historical), etc.	What YEARS are these maps for?

Here are the counts for parcels of land mapped, by the decade in which the patent applications were made: Decade Parcel-count 1810s 1 1820s 1 1830s 605 1840s 522 1850s 2290 1860s 560 1870s 772 1880s 282 1890s 151 1900s 68 What Cities and Towns are in Effingham County,

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
