

Writing the Doctoral Dissertation

Here is the first book a prospective doctoral candidate should read. Updated to reflect both modern technological advances and the realities of contemporary academia, it serves as an excellent overview of the dissertation process in most academic fields. Advice starts with selecting an advisor and a dissertation committee, then covers problems connected with selecting a dissertation topic, submitting the proposal, working with an advisor, and writing and defending the dissertation.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
