

## Side by Side Plus 2 - Life Skills, Standards & Test Prep (3rd Edition)

Side by Side has helped over 25 million students worldwide persist and succeed as language learners. Now, in this special edition for adult learners in standards-based programs, Side by Side Plus builds students general language proficiency and prepares them for their life-skill roles in the community, family, school, and at work. Easy-to-use teacher support materials include hundreds of multilevel activities and a wealth of supplemental worksheets, achievement tests, and other resources to assure learner persistence and success. Outstanding Features:

Picture dictionary lessons introduce unit vocabulary in a clear, easy-to-use format. The programs guided conversation methodology integrates grammar, vocabulary, and topics through real-life communication practice that is student-centered, interactive, and fun.

Standards-based lessons in each unit develop the competencies included in CASAS, BEST Plus, EFF, SCANS, Model Standards, and other major curriculum frameworks and assessment systems.

Teamwork, critical thinking, and community tasks promote cooperative learning, problem-solving, and civics connections. Diverse reading and writing activities include realia, narrative readings, and journal-writing to develop skills for daily life, self-expression, and academic advancement.

Built-in assessment in each unit includes a check-up test and vocabulary and skill checklists enabling students to assess their progress.

Side by Side Gazette magazine sections promote learner persistence through high-interest material that students can use in class or on their own, building a bridge between the classroom and the home. A Bonus Gazette Audio CD included with the text offers entertaining radio program-style recordings of Gazette activities.

An all-in-one teacher support package includes a Teachers Guide with Multilevel Activity

& Achievement Test Book and CD-ROM providing multilevel activities and an array of reproducible masters, worksheets, and tests. An Activity & Test Prep Workbook offers all-skills practice, GrammarRaps, and unit achievement tests.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
