

2IC: Business as Mission for the Rest of Us

Many Christians in business feel they have to sit on the sidelines of Business as Mission because they aren't the owner or CEO. 2IC (Second in Command) explores how God has used and still uses those who aren't the boss to impact others for the Kingdom in their career and workplace.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
