

ZOUNDS!: A Browsers Dictionary of Interjections

From Geronimo! to gesundheit to haminahamina to holy mackerel, and from abracadabra to zinks, Mark Dunn and Sergio Aragonés show you interjections like you've never seen them before. Often thought of as unnecessary verbal fringe or simply linguistic decoration, interjections (ahem, howdy, mamma mia, pshaw, tally-ho, whoop-de-do) may well be the most overlooked part of speech in the English language. ZOUNDS! A Browsers Dictionary of Interjections focuses the spotlight on this most deserving (and sometimes most demented) grammatical group. A light-hearted look at more than 500 interjections, ZOUNDS! explores the origins of these essential words and highlights the contributions of these previously unheralded parts of speech. Perfect for both word lovers and the casual reader, ZOUNDS! brings together the linguistic talents of Mark Dunn, author of the award-winning novel *Ella Minnow Pea*, and the graphic hilarity of Sergio Aragonés, the legendary cartoonist and contributor to *Mad Magazine*, for a delightful romp through grammar, culture, and the English language. Famous interjections include: Eureka! - Archimedes, Badabing-badaboom - Tony Soprano, Stuff and nonsense! - Alice, Alice in Wonderland, Bah! Humbug! - Scrooge, Fiddle-dee-dee! - Scarlett O'Hara, Leapin lizards! - Little Orphan Annie, Nanoo, nanoo - Mork, from *Mork & Mindy*, Dyn-O-Mite! - Jimmie Walker, Good Times, Bully! - President Theodore Roosevelt

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
