

The New Century Handbook, Third Edition

The first writing handbook developed for today's writers who use computers to write, The New Century Handbook provides complete coverage of writing and research. Renowned professors Christine Hult and Thomas Huckins' friendly writing style makes this a perfect tutorial or reference tool for writers of any level. The writing process, business writing, grammar, punctuation, mechanics, electronic research, documentation/citation style guides, avoiding plagiarism, ESL. Any student or professional interested in improving their writing.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
