

A Guide to the Usage of HSK Vocabulary (Chinese Edition)

The book is a reprint of the 2000 edition. It is specially prepared for the HSK participants, also as a reference book for learners of Chinese. The entries are chosen on the basis of the outline issued in 1992 by HSK Office with a few changes. Each character has pinyin, English explanations and examples in Chinese.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
