

Super Minds Level 4 Teachers Resource Book with Audio CD

An exciting, seven-level course that enhances young learners thinking skills, sharpening their memory while improving their language skills. This exciting seven-level course enhances your students thinking skills, improving their memory along with their language skills. Super Minds develops language with creative activities including role play and project work, explores social values with lively stories and encourages cross-curricular thinking with fascinating English for school sections. This Level 4 Teachers Resource Book contains end-of-unit evaluation tests, worksheets for further vocabulary and grammar practice along with cross-curricular extension material. The Audio CD includes all the listening material needed to accompany the tests.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
