

The Pharmacy Technician (Basic Pharmacy & Pharmacology) (American Pharmacists Association Basic Pharmacy & Pharmacology)

A practical text to understanding the principles, career concepts, and pharmacy skills needed to be a successful pharmacy technician, The Pharmacy Technician, Fourth Edition has been specially designed to make learning easier for your students. It offers clear, concise information to help them learn the material and pass the national certification examinations. This best-selling text is officially endorsed by the American Pharmacists Association (APhA).

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
