

Whispers From the New Paradigm

We share this magnificent Universe with a cosmic family of countless beings living on billions of planets, created by a Creator Whose personal and impersonal nature is incomprehensible, and Who bestows an infinite degree of Unconditional Love on each of us. This Love governs everything that unfolds in Creators Divine Plan, which consistently beckons all sentient beings in the Universe over the course of multiple lifetimes to an eventual unification with Creator. Unification with Creator that can be significantly expedited by the practice of Transcendental Meditation, a meditation tradition that traces its roots to the very first day of creation.
