

## Practising HSK Grammar (Chinese Edition)

Simple language, concise formulas and sample sentences are used to explain the questionable and difficult grammar points encountered by foreign students during their study. As for the different grammatical items, there are plenty of related exercises for the students to practice. Detailed answers and explanations to the exercises are given.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
