

## PhytoPraxis (German Edition)

Immer mehr Patienten fragen ihren Arzt nach pflanzlichen Präparaten als Alternative zur schulmedizinischen Pharmakotherapie. Deshalb benötigt jeder praktisch tätige Arzt ein handliches Nachschlagewerk, das ihm schnell und kompetent Auskunft gibt. PhytoPraxis bereits in der 5. Auflage stellt ausgehend von den häufigsten Symptomen den wirksamen Einsatz von Phytoparmaka dar. - Tabellen mit Angaben zu Arzneidroge und Präparatebeispielen, Wirkstoffen und Dosierungen bieten einen raschen Zugriff bei hoher Informationsdichte. - Eine Zusammenstellung von Teemischungen, ein zusätzliches Präparateverzeichnis sowie Adressen und Internetadressen erleichtern das rasche Auffinden der gesuchten Information. - Plus: Hinweise zur Verordnungsfähigkeit Das praxiserprobte Nachschlagewerk ermöglicht so eine hochwirksame, risikoarme und kostengünstige Behandlung, die zugleich eine hohe Patientenzufriedenheit sicherstellt: für alle Allgemeinmediziner, Internisten, Gynakologen und Padiater, die Phytopharmaka gezielt in der Therapie einsetzen mochten.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
