

Great Business Teams: Cracking the Code for Standout Performance

Understand and decode the inner workings of great business teams with the more than 30 in-depth examples in Great Business Teams: Cracking the Code for Standout Performance. Author Howard Guttman examines and dissects teams at top-management, business-unit, and functional levels and isolates five key factors that drive team performance to offer you insight into the ways these teams achieve success. Using this book, go directly to the marketplace to scrutinize teams in a variety of industries, evaluating the challenges they face and the methods they choose to manage these challenges.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
