

## The Rolling Stones Complete Discography

The Rolling Stones formed in 1961 by recording early singles covering rhythm and blues standards. They released their first album, *The Rolling Stones* in 1964, and have continued to tour and record ever since. This book is the first complete discography in over a decade and details the Stones 49 albums, 66 chart-ranking singles, early EPs and all the B-sides including live takes, studio recordings, recent remixes, and compilations. Included with each entry are reproductions of all album covers, singles sleeves, release dates, composer credits, timing and commentscritical information needed to understand a band that has featured a changing cast of members around the lasting core of Mick Jagger and Keith Richard. This discography is the most comprehensive guide to the Stones output ever published in one volumea browsable and compelling reference to an enduring force in pop culture.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
