

# Interior Color by Design: A Design Tool for Architects, Interior Designers, and Homeowners

Effective color selection can be a powerful element in any design. Interior Color By Design takes the mystery out of the color application process by: Providing over 250 color samples to experiment with different combinations Featuring over 100 full-color images that illustrate key concepts like adjacent colors and overall design Exploring the interactive effects of color combinations on interior design and architecture

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
