

Dumpling Recipes: A Variety of Delicious Dumpling Recipes for Lunch, Dinner and Dessert (The Easy Recipe)

The dumpling may be a small unassuming little piece of dough, but don't be fooled. The dumpling is a very versatile and widely used piece of culinary creativity in the world. We have seen it in one form or another in the native dishes of every continent on the planet, and for good reason. The dumpling is famously known for adding that special it factor to many soups, stews, and meals that could have turned out rather lackluster otherwise. It's also the perfect way to make any food into a finger-friendly, bite-sized addition to the meal.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
