Notable American Novelists presents biographical sketches and analytical overviews of 145 of the best-known American and Canadian writers of long fiction from the 19th and 20th centuries, arranged alphabetically by name. The sets three volumes survey the novelists whose works are included in core curricula of high school and undergraduate literature studies.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
