

Please Ask Me!: (Been There, Done That) (Paperback) - Common

How did we ever become so divided? Is it really possible that not one Democrat can vote yes for a Republican proposal or that one Republican cannot or will not vote yes for that offered by a Democrat? Its impossible that in the conscience of some of these men and women there is not a compelling virtue that urges them to do what is right and not what is expected. Yet, in recent years, if one part...

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
