

Building Relationships Participant Workbook: Creating Remarkable Leaders

Unleash your leadership potential one skill at a time. With the increasing complexities of the business world, strong leadership is more critical to success than ever. But finding the time to devote to leadership development is increasingly difficult. Developed with these dual realities in mind, the Remarkable Leadership workshop series is based on the book Remarkable Leadership: Unleashing Your Leadership Potential One Skill at a Time and consists of 12 workshops, derived from the leadership competencies described in the book. After completing the Building Relationships workshop, you will:

- Understand the factors that affect your likeability with other people
- Understand the importance of listening to improve your leadership relationships
- Learn ten specific actions you can take to become a better listener
- Know the factors affecting trust and how you can use them more effectively to build trust

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us
