

# Better But Not Well Mental Health Policy in the United States since 1950 by Frank, Richard G., Glied, Sherry A. [Johns Hopkins University Press,2006] [Paperback]

Better But Not Well Mental Health Policy in the United States since 1950. The Johns Hopkins University Press, 2006.

October 10, and that means we'll have special features for talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
