

Millennium Management: Better, Faster, Cheaper Strategies for Managing 21st Century Healthcare Organizations

In his most controversial book yet, noted futurist Russ Coile challenges the traditional view of healthcare management and organization. Full of bold projections and progressive strategies, this book will be a thought-provoking management resource in the new millennium. Examples from leading-edge healthcare organizations provide real-world examples of progressive strategies in action.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
