

A Guide for Using Bridge to Terabithia in the Classroom (Literature Units)

This resource is directly related to its literature equivalent and filled with a variety of cross-curricular lessons to do before, during, and after reading the book. This reproducible book presents an exciting approach to teaching well-known literature! It includes sample plans, author information, vocabulary building ideas, cross-curriculum activities, sectional activities and quizzes, unit tests, and many ideas for culminating and extending the novel.

We've started our countdown to National Handbag Day on October 10, and that means we'll have special features for you every day, right up to the big event! Today, we're here to talk about the intersection of celebrity and accessories, and more specifically, how the two can become intertwined in public consciousness for years. The kinds of stars who carry a particular bag do a lot to shape the market's perception of it and the designer who created it, which is why so many brands give out free bags to stars now: they're hoping to create positive associations. In the cases you see below, though, things came along a little bit more naturally. You can't rush love, after all. Think of a bag-celeb duo we missed? Let us know in the comments!
